MUNICIPAL COURT FOLLOW-UP REPORT

The City of New Orleans Inspector General today released a report on its follow-up review of the January 2011 audit of Municipal Court's collection and remittance of fees to the City.

Certain State laws were amended after the original report, and recommendations relating to those laws were excluded from the follow-up review. The Municipal Court fully implemented seven of eight recommendations. The Court only partially implemented recommendation # 6 because the Court did not instruct the City to amend its payroll tax returns.

The OIG also released a letter to the Municipal Court relating to issues beyond the scope of the follow-up.

Inspector General Ed Quatrevaux said, "This is a big improvement from January 2011."

The report and letter are attached to this press release. Other reports issued by the Office of Inspector General can be viewed and downloaded from the website at <http://www.nolaoig.org>.
